## TFF GROUP REINFORCES ITS STRENGTH WITH THE INTEGRATION OF THE DARNAJOU COOPERAGE

**Under the terms of a memorandum of understanding\*, TFF Group is pleased to announce the integration of the DARNAJOU cooperage, located in Montagne and Artigues de Lussac in Gironde, near Libourne and Saint Emilion.**

This family cooperage, created in 1976 and co-directed by Vincent and Nadège Darnajou, enjoys a strong reputation and an international scope that are based on a “modern and responsible form of craftsmanship”.

The Darnajou cooperage has a turnover of around € 7 million, in France and abroad, through two production sites located in the heart of the Bordeaux vineyards and led by a team of some twenty people who cultivate “the expertise of an art form” and who share a strong cultural bond with their customers, amongst whom the cooperage has acquired an exceptional reputation.

With the integration of this high-end brand, TFF Group aims to enhance, sustain and develop the Darnajou name with the support of Nadège and Vincent Darnajou, who will remain involved in the cooperage.

**Jérôme Francois, Chairman of the Executive Board of TFF Group states:**

*“I am very proud to associate our family group with a cooperage and teams that share our values and standards of quality all over the world. This new acquisition reinforces our strategy of integrating independent brands with high added value in order to serve the leading luxury sector of wines and spirits.*

*I thank Nadège, Vincent and their teams for giving us their confidence in an operation designed to perpetuate their know-how and their excellence of their brand.”*

\* The actual date of completion of the operation should take place next March

## ABOUT TFF GROUP

**As the global leader in the wine and whisky market, serving the leading luxury wine and spirits sector, TFF Group is present in more than 80 countries and is experiencing strong growth in the bourbon market.**

“As a privileged partner of the biggest names in wine and spirits, we help them to make the most of their crops thanks to our innovative and environmentally-friendly top-end aging containers that are made in the noblest tradition of French know-how. With our 1,048 employees and 245,2 million in sales in 2017-2018, we strive to promote world-class expertise and the «Made in France» stamp of quality.
